THE EVERGREEN SCULPTURE WALK For Year 2010-2011

You are invited to participate in AMC's annual Evergreen Sculpture Walk. Up to sixteen sculptures will be displayed in the mountain town of Evergreen, Colorado. Artists whose sculptures are selected for this outdoor display will receive a \$500.00 honorarium and will be eligible for the People's Choice Award of \$750 and a juried Sternberg Award of \$1000. The sculptures will be installed in June, 2010 and remain on display for one year.

Our Sculpture Walks have been extremely well received in the community. In fact, seven sculptures accepted into the Evergreen Sculpture Walk have been purchased since 2004.

Site Information: Sites selected in the community and area surrounding Evergreen, Colorado.

Specifications: Sculptures should be a minimum of 36 inches (in one direction) in size. Any style, in a durable medium, which can withstand the elements in our mountain environment, will be considered. Pedestals to accommodate the size and dimensions will be provided by AMC. Each accepted sculpture must be able to be welded to a 1/4 inch steel plate. Bases provided by the artist, in addition to the steel plate, must be approved by a committee before installation. Any sculpture smaller than represented on the application or of poor quality will be rejected.

Contracts: Individual contracts between the artist and AMC shall be executed before any piece is installed. Artists will be responsible for transport of their pieces to and from the exhibit. Insurance will be covered under AMC's policy at a mutually agreed upon limit. If repairs are needed, AMC will work with the artist and be responsible for any costs incurred.

Sales: Any piece selected must be for sale. Art for the Mountain Community will handle all sales and will receive a 25% commission of the purchase price. No work shall be removed before the exhibit closes in June, 2011. Replicas of the pieces or other pieces that are sold as a result of this exhibition will also be subject to the 25% commission.

Publicity: AMC will produce a brochure depicting each sculpture and its location on an Evergreen map. These brochures will be available in the Evergreen area. AMC will seek to bring local and Denver area media coverage to this project.

Entry: Each artist may enter up to three works for consideration for a \$15 fee. A panel of jurors will review each entry and notify the artist of acceptance or rejection by February 18, 2009. Please submit **only digital photos** on a photo CD for judging with at least two different views of each sculpture. **Specifications for digital submissions are on the entry form.**
